Portland Audubon
COVID-safe Spotting Scope Use Policy

- Leaders will provide 2 scopes, and will be responsible for setting scopes on the desired view.
- Participants are encouraged to bring their own scope.

- Participants must wear masks and sanitize their hands each time before touching the scope.
- Hand sanitizer will be provided.
- Leaders will sanitize the exterior of the eyepiece with disinfectant wipes between users.

- Participants will maintain at least 6’ of physical distancing while waiting for scope.
