

Adult Education COVID-safe Spotting Scope Policy

- Leaders will provide a scope, and will be responsible for setting scopes on the desired view.
- Participants are encouraged to bring their own scope.
- Hand sanitizer will be provided.
- Participants must wear masks and sanitize their hands each time before touching the shared scope.
- Leaders will sanitize the exterior of the eyepiece with disinfectant wipes, when necessary.
- Participants will maintain at least 6' of physical distancing while waiting for scope.
