

TOGETHER FOR NATURE

Portland Audubon School Break Camp COVID Policies

With the health and safety of our members and community in mind, Portland Audubon has created a camp experience to reduce risk of COVID-19 transmission. We recognize and acknowledge these policies and practices will not eliminate risk, but rather allow us to engage in camp with reduced risk. We ask families and participants to make their own choices regarding acceptable risk. We will continue to review any updated guidance from the Oregon Health Authority and will be adjusting our guidelines based on their recommendations for the summer camp season.

At this time, some of our guidelines that we would like to share with you are:

- School Break camps are limited to 8 campers and 1-2 staff.
- Campers will be asked to wear masks and maintain social distancing throughout the program.
- During snack/water breaks we will ensure that campers are spread out from each other. The same applies if a camper needs a short mask break or mask adjustment.
- Campers will maintain a minimum of 6-feet in between each other whenever possible.
- Camps will take place exclusively outside.
- Participants must sign a COVID-19 acknowledgement of risk waiver.
- All campers and their families are required to report any COVID-19 symptoms or exposure to an individual with COVID-19 symptoms (fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion, nausea/vomiting, diarrhea) or diagnosed with COVID-19. All individuals will monitor for symptoms, including taking temperature, 24 hours prior to the start of their program. Any symptomatic or feverish participants will be required to cancel themselves from the camp.
- Full refunds will be provided for cancellations due to COVID-19 symptoms, or exposure to someone with symptoms or diagnosed with COVID-19.

We ask that any camper who is exhibiting COVID-19 symptoms within two weeks after attending camp to please let us know. If this occurs, we will inform all participants in that camp that they may have come in contact with an individual who has tested positive for COVID-19. The name of the symptomatic person will not be shared.

We're sending our heartfelt thanks to you for your continued support of Portland Audubon and are excited for our summer camp season!
