Adult Programs and Covid-safe Spotting Scope Use Guidelines

- When leaders provide a scope, they will be responsible for setting scopes on the desired view.
- Participants are encouraged to bring their own scope.
- Hand sanitizer will be provided.
- Participants must sanitize their hands each time before touching the shared scope.
- We encourage participants to either look without touching their eye directly to the scope or wipe down the eyepiece.
- Participants will maintain at least 6 feet of physical distancing while waiting for scope.
