

Jude Siegel

Bird Journals Supply List

Please bring the following to the class in a pack you can carry easily. Read carefully before you go to the store and contact Jude (colorfuljude@gmail.com) with questions. All supplies may be found at Artist and Craftsman (two locations) and [The Merri Artist](#) (online and McMinnville).

Bring this list and mention my name for a student discount.

- **Lunch, snacks, water bottle**

- **Journal**

A coil bound or sewn sketchbook, 90# and suitable for watercolor. Examples: Strathmore 400 series (many people like this one, decent paper, and black cover), Canson XL Mixed Media sketchbook, Handbook, Moleskine. At least 5x8" is a good size.

- **Waterproof black pen**

Examples: Uni-Ball vision elite (light grey with black fisheye top, says waterproof);
Faber-Castell Pitt, medium or fine; Pigma Micron .05

Paints - Please read this carefully!

- **A small travel paintbox that hinges shut**

I want you to use professional quality watercolors, as the cheap paints are bad color choices, and unsatisfying. If you do not have any good paints, there are two options I offer.

★ I can make a small travel paintbox for you with 10 professional colors, for \$65. Please order from me *at least one week before class*.

★ You can rent a paintbox from me for \$5 for the day.

- **Watercolor brush, round, size #8 or #10**

My favorite is Escoda versatil #10 rigger, about \$20 (available online or at the listed places)
You can also get a Princeton, which will be adequate.

- **Water containers: 3 small yogurt size**

- **Rag / terrycloth**

- **Soft pencil**

Graphite pencil #4B or a regular 2B

- **Kneaded eraser**
